

# Seven Times Hotter

Written by: Amber Farrington

Key of D 155 BPM

## Verse 1

Bm G  
You picked up the pieces that I had so skillfully scattered  
Bm G  
You brought back together the things that I recklessly shattered  
Bm  
I have to be Yours  
G  
I have to be Yours

## Verse 2

Bm G  
You melt in Your fire what draws me away from Your holiness  
Bm G  
You fight like a jealous creator to capture my one desire  
Bm  
I have to be Yours  
G  
I have to be only Yours

## Chorus

Bm F#m  
So come burn Your fire within me and turn it up hotter  
E  
Yes seven times hotter till I melt to You  
Bm  
To die with abandon, forsaking my will  
F#m E  
I will run to You, cling to You, fling myself into Your heart  
Bm  
To be found where You are

## **Bridge 1**

Bm A/C# D  
You are the one that will hold me in spite of my failure  
Em Bm  
In spite of my shame, You will not turn away  
A/C# D  
When I'm clothed with the Savior, Son of Creator  
Em Bm  
You see me as holy, You see me as pure  
A/C# D  
I walked in defiance, You sought me in silence  
Em Bm  
Silently pulling my heart into Yours  
A/C# D  
You show me Your goodness, ferociously burning  
Em Bm A/C#  
So full of life, I cannot look away  
D Em  
I cannot look away

## **Bridge 2**

Bm A/C# D Em  
Your intensity rages like a fire, consuming all things  
Bm A/C# D Em  
You smile in the fire, inviting me in  
Bm A/C# D Em  
There's a laugh in your smile, Your eyes are truth  
Bm A/C# D Em  
You stretch out Your hand, I cannot stand to be away from You
